I appreciate the opportunity to provide you with information about Close to My Heart (CTMH). It is an awesome company...whether you join to start a business or as a hobbyist for the discount, you will enjoy it!

I became a Close to My Heart Consultant in May 2003 after attending a CTMH Stamp Camp. I had never been to a demonstration or seen the products. Once I received my very first Idea Book, I immediately fell in love with the paper and color selections. Later that night I continued to look through the Idea Book and found more things I wanted, so I contacted the consultant to get information about joining. At first I signed up just to receive the discount, but my hobby evolved into a business and just keeps growing. I know if you feel this is the right choice for you, I can help you make your time with CTMH a success!

I will provide you with lots of ideas to get your business started and keep you going. You can make CTMH anything you want it to be, just let me know when you are ready to get started and we will have lots of fun getting to know each other and getting your adventure started. Here is some information to help you make your decision:

#### **Consultant Information:**

The consultant kit costs \$129, plus shipping and tax, and it includes over \$445 worth of products, business supplies, and information to help you get started in turning your business into a success. (Visit my website <http://noreenschat.com/Join.html> to view the consultant kit.)

To remain active as a consultant, the requirement is \$300 in cumulative orders each calendar quarter of the year (January-March, April-June, July-September, October-December). This starts with your first FULL quarter!

CTMH provides a FREE Online Business Address (shopping site), Newsletters and credit card processing! Additionally, CTMH pays for all hostess rewards, provides marketing materials and offers regular campaigns and specials! Consultants receive a 22% instant commission or discount. Your discount/commission is money directly in your pocket...the order you place is discounted the 22%, so you pay yourself/save your money instantly and there is no waiting for a commission check.
